**Facts:**

The three prospective agents who moved from Sweden to Germany last month are still awaiting the requisite security clearances before they begin operational training. An agent candidate who is qualified to act as a W/T instructor has been selected in the field and clearance for him has been initiated.

Several blind radio transmission were made in an unsuccessful attempt to contact Valdemars, a member of the Latvian Resistance Movement (LRM) who is known to be inside Latvia. Valdemars, who is a personal friend of one of the members of the OPC Latvian operations team in Germany, had devised with him a code by which he could be contacted, directly for LRM communications. Valdemars was returned to Latvia under Swedish auspices in 1948 and has been in contact with the Swedish IS, and through them with OSO [ ] since then.

A publication of the Latvian National Fund entitled These Names Accuse was forwarded from Stockholm and has been turned over to RFE and NCFE for their use. The book is an unusually well presented and documented genocide charge against the Soviet. It is planned to procure a few additional copies of the book for distribution to selected public figures in this country who, by virtue of their interest in Baltic affairs, can be counted upon to obtain additional publicity for the book.
